The olives that don't make it
into ollo can get stuffed.

We're all about taste.™

ollo extra virgin olive oil from Australia is now available in a 1 litre bottle and a 10 litre food service cask. This award winning olive oil is packed in an airtight bag to deliver a fuller, longer lasting flavor, great texture and wonderful aromas as required by top Chefs and Restaurateurs.

All the **TASTE** without the **WASTE**™

Product Information | 10 Litre/2.6 Gallon Food Service Pack

A special blend of early and later harvest oils, this combination provides Chefs with all the freshness and aroma of the early harvest blend yet has sweeter milder flavors to accompany a wide range of culinary delights. It's the perfect all round choice. Acidity less than 0.35%.

Unlike tins, this airtight bag protects the oil from air thus maintaining grove freshness. Unique valve allows Chefs to choose between drip and full flow options. Bag drains empty.
